

May 20, 2005

Dear Residents of Raymond Street and Linnaean Street:

The City of Cambridge under contract with Strada Construction Co., Inc. will be installing Curb Extension (Traffic Calming) and Pedestrian Ramps at the intersection of Raymond Street and Linnaean Street on Monday, May 23, 2005, weather permitting.

The contractor will post “ No Parking “ signs where necessary at least twenty-four (24) hours prior to construction. Please do not park your vehicles in these areas during posted hours of 7:00AM to 4:00PM.

We are aware that the construction process can be inconvenient and apologize in advance for any difficulties that you may experience.

Should you have any questions, please contact Hussein Musa, Project Manager at 349-4831/ hmusa@cambridgema.gov.

Sincerely,

Hussein Musa,
Project Manager
